Casey City Council
June 6, 2016
Regular Meeting

A Correction to the June 6, 2016 minutes are as follows:

After additional review of all bids, after the meeting, it was found that there were some bids that had noted they did not want equipment unless they won high bid for the tractor. That being noted the winner of high bid for the loader was Maynes - \$1120 (not Meyers - \$1500).

Maynes submitted their bids by item number, not by name. This led to confusion as to what item they were in fact bidding for. It was originally thought that a bid in the amount of \$620 was for the sickle, after additional review the bid was for the blade. That being noted the winner of high bid for the blade was Maynes - \$620 (not Vorm - \$250)
