

Hey all Casey Residents and land owners!

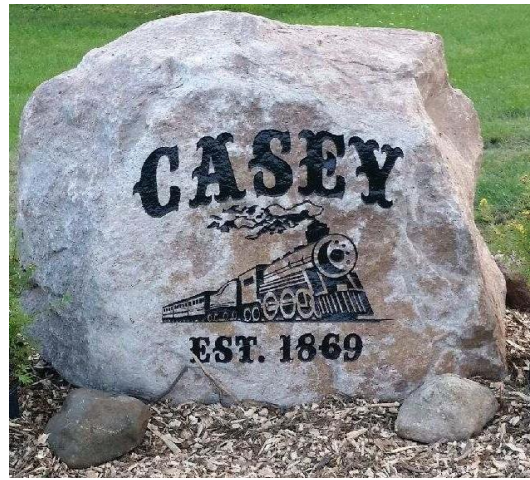

We WANT YOU to be a part of our community revitalization!

Please answer the following survey questions by writing them down on separate paper and dropping them off or mailing to Michelle King, at City Clerk's Office, or email them to Colleen Conrad, conradisugal96@gmail.com, who is overseeing this survey. **Deadline is Jan. 31, 2017.**

This survey is being sent out to try and get a good feel for what the people of Casey would like to see in town, what are your likes, dislikes. What would you like to see as business? Are you interested in opening a business? If you are currently a business owner, or own a property that could be used as a business, we would appreciate your feedback. This flyer is being mailed out to anyone with a Casey zip code, as well as commercial property owners in Casey. With this feedback Colleen will gather the information for various groups in Casey that are working to improve the community (Casey Historical Society, Casey Service Club, Casey City Council, Casey Grant Committee), and to get a better understanding of future possibilities for the town.

1. As a resident, what would you like to see improved in our community?
2. What is your favorite part about Casey? What is your least favorite?
3. Do you own a business in Casey and if so, what and how long? (This can be a business from home, a farm, or business located in a building within the community).
4. One thing we would like to do is work towards revitalizing downtown Casey and the amazing old historic buildings before they get to a point where they can't be fixed up. If you own one of these buildings (or a section of empty land), please answer the following (otherwise skip to Number 4): A. Do you currently run this as a business (if so, what)? B. If you own the building but do not run it as a business or use for storage, do you have interest in trying to rent it out or selling it?
5. Do you have any special talents you could contribute as a volunteer to helping revitalize Casey (ex: the Casey Service Club has clean up days, plants flowers, etc. and the Visitors Center needs helpers for various projects and events)? Ex: electrical work, plumbing, roofing, contract work, etc.
6. What are some businesses you wish were in Casey? Ex: laundromat, café, etc.
7. Please note any other thoughts, ideas or suggestions! Your feedback is valuable to us!
8. Optional: Please write down your phone number/address so that we may contact you in the future to discuss ideas!

Thank you for your Time!
