March 2016

# Casey Community Building & City Offices Building Questionnaire

*The City Council is asking you for your input. Please take a few moments and answer the below questions and return to the City Clerk, before the Thursday March 31<sup>st</sup>. This will allow the feedback received to be compiled and provided to the Council for review prior to the April 5<sup>th</sup> Council meeting. Please note that your feedback is very important. The City Council will do its best to design a building with what they have tailored to the public's desires, however, we cannot guarantee every idea will be implemented.*

**A PUBLIC INFORMATION FORUM HAS BEEN SCHEDULED FOR MONDAY APRIL 5<sup>TH</sup> FROM 6PM TO 6:45PM for the Council and the public, to discuss the below and gather additional useful information.**

---

1. What amenities/features/rooms would you like to see in the new building?
2. What are the type of events that you may use the building space for?
3. How many people (approximately) would be attending your events?
4. How often did you utilized/rent the previous Community Building?
5. How often do you think you would be interested in using the community building space for?
6. What would you be willing to pay for the space rental?
7. What are some of the things the old building DID HAVE that you would like to see again in the new building?
8. What are some of the things the old building DID NOT have that you would like to see in the new building?
9. Would you like to see the building a one story or two story?
10. What type of building would you like to see? (Brick, Metal, Wood, etc.)
11. Where would you like to see the building be built? At the old site? Are you in favor or the City purchasing additional property and possibly utilized the entire block of land?
12. If money was to be borrowed to build the new building, what would your preferred max be to borrow? (this would be the amount that would not be covered by the insurance loss)
13. Is there any additional information that you would like to share with the Council, to be considered for the new building?
14. If the Council were to form a committee to help assist in the planning and design stages of the new building, would you be interested in being a part of that? If so please provide your name and contact information to the City Clerk.
