Special Meeting**

A special meeting of the Casey City Council was held Thursday January, 31, 2019 at 6:00 p.m. Present were Mayor Barry Chalfant, Councilmembers Nick Lindberg, Rick Richter, Travis Peterson and Bret Wedemeyer. Also present was City Clerk Michelle King and public works Director Jon Welker. Councilmember Stacy Wagner was absent.

Mayor Chalfant called the meeting to order.

A motion by Lindberg and second by Peterson to approve the agenda. All ayes. Carried.

Council reviewed a request from Linda Caltrider to put a business parking sign in front of Linda's Hair Hut, near the steps from the street to the sidewalk. She has concerns of her customers getting up on the side walk. After additional discussion on placement, council tabled until the February 3<sup>rd</sup> meeting so that Councilmembers can look at the area in question and review where signs can be posted easily.

V and K was present and provided an updated cost estimate and information on the McPherson Street Reconstruction Project. The project intent is to repair the sidewalks in the business district, as well inspect and repair the service lines for water and sewer and Storm Sewers that need repair. V and K will provide cost estimates for sidewalk replacement divided out by property, this information will be sent to King and King will send it out to each owner for review. They will also split the cost estimate out in more detail as what is sewer, storm sewer, water, street and sidewalk. This breakdown will help the City find possible funding options for the project. This project will more than likely take 2 years before construction starts, possible let it out for bids next year at this time.

Once the information is reviewed and future planning is decided the council will decide when to hold the next public forum on the project.

At 7:36 pm a motion to adjourn was made by Peterson and second by Richter. All ayes. Carried.
